5 Members in attendance: Laura Dick – SHOW BUS, Megan Wileman - AgeGuide, Jeanette Tetreault –  
6 Thresholds

7  
8 Others present: Marta Perales, Ben Wilson

9 **Call to Order**

10 Meeting was called to order at 10:35

11  
12 A quorum of the membership was not in attendance of the meeting so no formal action of the  
13 committee was taken. As there was a member of the public in attendance, Mr. Wilson asked that the  
14 attending members give agency updates.

15 **SHOW BUS**

16 No service updates, still operating under a strict mask mandate from FTA.

17 Staff is 2 down with covid – 1 exposed but still driving while masked in accordance with FTA and  
18 CDC guidelines. In many ways the mask mandate makes it easier with the general public. Prior to the  
19 mandate, it was becoming more difficult to get rider compliance.

20 SHOW BUS has submitted applications to AgeGuide and the State for funding for operations and  
21 capital.

22 Payment still seems be an issue with the state, and it is causing stress for many providers and  
23 their vendors.

24 **AgeGuide**

25 Megan Wileman will be the new point of contact for AgeGuide. They just completed an RFP for  
26 Older Americans Act funding – application deadline has end – should hear in the next few weeks.

29 **Thresholds**

30 Are operating full program – complying with mask mandates but considering vaccination for  
31 staff.
