SUBJECT: Amendment #5 – KATS FY 2025-2028 Transportation Improvement Program

One amendment to the FY 2025-2028 Transportation Improvement Program (TIP) has been submitted from IDOT District 3.

D3 has just completed its FY 25 to FY 26 state program engineering carryover exercise. There are a few line items in the attached spreadsheet that were carried over from FY 25 and need to be included in FY 26. Included in the carryover are 3 projects, HIL-20-004, HIL-20-005, and HIL-20-008.

The attached table identifies the work activities and funding amounts carried forward. The projects are being funded from 3 sources, NHPP, STP-URBAN, and IDOT state match.

Attached to the memo are the IDOT request matrix and the draft TIP tables that include the aforementioned amendments, which will be presented to the KATS Technical Advisory Committee and Policy Committee on August 27th, 2025.

If you would like to submit a comment about this amendment to the KATS FY 2025-2028 Transportation Improvement Program, you may do so by visiting the public comment page on the KATS website at www.kats-mpo.org/public-comment
